Dear Emma

Apologies for the delay in replying.

Email received by applicant:

Please can you organise a new address and postcode for our new site.

Planning Reference - AVA/2013/0859 & AVA/2012/0415

Below are the address we would like the properties to have:

- 1 Upper Northfield Close, Belper, Derbyshire DE56 XXX
- 2 Upper Northfield Close, Belper, Derbyshire DE56 XXX
- 3 Upper Northfield Close, Belper, Derbyshire DE56 XXX
- 4 Upper Northfield Close, Belper, Derbyshire DE56 XXX
- 5 Upper Northfield Close, Belper, Derbyshire DE56 XXX

The reason we would like this road to be called 'Upper Northfield Close' is because the properties are related to Northfield House and they're just behind this property, which we also worked on.

Kind regards
James

Dear Consultee

STREET NAMING AND NUMBERING APPLICATION CONSULTATION

DEVELOPER:	Carter Construction (Derby) Ltd
DEVELOPMENT NAME:	Create And Register 5 Properties And Associated Street
CURRENT SITE NAME:	Matlock Road
LOCATION:	Northfield Matlock Road Belper Derbyshire

As you will be aware, **Carter Construction (Derby) Ltd** are developing a new site which will require the Council to **Create and Register 5 Properties and an Associated Street** at the above address and have necessitated me to undertake a street naming and numbering scheme, as a new road will be created.

They wish the new road to be named:

Upper Northfield Close - The reason we would like this road to be called Upper Northfield Close is because the properties are related to Northfield House, they are located just behind this property, the company have also recently developed Northfield House.

if you have any objection to the name, will you please inform me no later than 28th February 2020.

Yours faithfully

James Ricardo
