Dear Consultee

STREET NAMING AND NUMBERING APPLICATION CONSULTATION

DEVELOPER:	Wheeldon Brothers Ltd
DEVELOPMENT NAME:	Create And Register 66 Properties And Three Streets
CURRENT SITE NAME:	Belper Lane
LOCATION:	Whitehouse Farm 153 Belper Lane Hilltop Belper Derbyshire DE56 2UJ

As you will be aware, **Wheeldon Brothers Ltd** are developing a new site which will require the Council to **Create and register 66 Properties and three new streets** at the above address and have necessitated me to undertake a street naming and numbering scheme, as new roads will be created.

They wish the new roads to be named:

Martha Drive - Jedidiah Strutt's second daughter

Elizabeth Drive - Jedidiah Strutts daughter and a resolution of the long-standing issue of three streets in Belper being named after Jedidiah Strutts sons, with no reference to his two daughters.

Bridgehill Way - Bridgehill is denoted on an 1898 map just below the development

If you have any objection to the names, will you please inform me no later than 29th September 2021.

Applied for an extension until 12 October 2021 - approved
