

Agenda Item 11 - Flooding Committee to note
Information Only Committee to note
Purpose of the Report To provide the Committee information regarding the Flood Volunteer Registration process and Training
Background Information <p>The Flood Warden registration forms are now available on the Town Council website or paper copies can be sent out from the office if requested.</p> <p>All Flood Wardens who register will be asked if they can be added to the WhatsApp Flood group so any issues regarding flooding can be dealt with between the volunteers enlisted.</p> <p>Flood Wardens will be automatically added to the Flood Alert system which the Environment Agency will add manually as we have come across an issue with registration if you do not live near a flood area it will not allow you to register.</p> <p>Flood Wardens will be required to complete the Environment Agencies Privacy Statement prior to being added to the Flood Alert System these are sent out with the Flood Warden Registration forms.</p> <p>Belper Town Council also has now completed the Flood Warden Handbook which is issued along with the relevant forms to register.</p> <p>Training has been an ongoing issue for the Council since June 2019. Environment Agency has assured me that Digital Flood Warden training will be expected in February/March this year.</p> <p>We currently have 6 flood wardens registered and would like to recruit more.</p>
