

Agenda Item
<p>Approval Allocation of £140,000 funds to deliver the skatepark project</p>
<p>Purpose of the Report To utilise underspend on the budget for the benefit of the community. In particular to our young community who really need investment from the town</p>
<p>Background Information Skatepark project previously agreed. Borough Council working up an SLA regarding the use of the site for this purpose and a masterplan of how the skatepark would fit. Design being worked on by working group.</p>
<p>Legislation N/A</p>
<p>Accessibility Implications – Access will be central to discussions on design</p>
<p>Climate Emergency Implications - Every effort will be made to embrace the natural surroundings and design a park which is sensitive to the natural environment</p>
<p>Financial Implications Funding applications will continue to be worked on to potentially mitigate some of the costs of the project.</p>
<p>Recommendation(s) To allocate from town council funds and pass over to AVBC to advertise the contract</p>
<p>Reasons for recommendation(s) To ensure that the skatepark is operational as a priority</p>
