Subject: Re: POSSIBLE DISSOLUTION OF THE FRIENDS OF BELPER RIVER GARDENS

Dear Deb,

Thank you very much for your kind email. We very much appreciated the fact that Cllr.Harris attended our meeting last night and offered support.

I have attached the minutes of the meeting for your information. Please note that we have decided to make the following donations, should the Town Council wish to accept:

1. £1000 to the Herbert Strutt Charity.
2. The folding chairs used by bands that are currently stored in the toilet block at the River Gardens and to which Andrew has the key.

With kind regards,

Trevor
