

Youth Committee

Estimated costs for 2021 / 22

Manifesto Commitments

The Council and all members of the Youth Committee were elected on a manifesto which set out a number of commitments designed to enhance the lives of young people throughout the town and include them in its development. Although all of these commitments have been addressed to some degree, there is still progress which can be made during 2021/22 in relation to the following commitments:

- Work closely with the Drop Inn (now Blend), Fleet Arts and the Blue Box Youth Club, and sports associations.
- Support organisations which provide assistance for young people with alcohol, drug or other issues.
- Encourage children's participation with arts organisations and holiday play schemes.
