

**Finance , Governance and Staff Meeting  
24<sup>th</sup> May 2022**

**Report Title; Speed Indicator Devices (SIDs)  
Submitted by; Cllr Fay Atkinson**

**1.0 Purpose of the Report**

Further to a Meeting of Full Council when it was agreed to go ahead with the SID project and a preferred supplier was identified. This matter is now to be considered by Finance, Governance and Staff Committee to agree a budget heading.

**2.0 Background Information**

The SWARCO quote agreed at Council can be confirmed as follows;  
£3525 cost of device, installation kit and delivery.  
£705 VAT  
Total £4230

We would be applying to DCC for 50% match funding which makes the total £2115

We would need to add to this the following which are not eligible for inclusion in the grant application:-

£100 licence agreement

£220 installation

£380 training on site.

Total required from our budget to delivery the project £2815.

**Accessibility Implications**

None
