Subject: Twistin Tots' Musical Picnic

Hi Emma

I'm just starting to think about my Summer Picnics for 2020 and after a very successful Belper event in 2019, am keen to return to the Memorial Gardens again if this would again be permissible? I'd be interested in running the event either 27 or 28 July and it would be for an hour 11am - 12 noon. I'd need access to the park and if possible, as before, permission to bring my car in to transport my props.

Please let me know how to proceed with this request. Many thanks,
