We are looking to hold a suitcase stall day on Sunday 18th October. This is a joint venture between Belper Fringe, Fleet art's and no.28. The actual event will run from 12 to 3pm and will involve local musicians and around 15 stalls. I suggest we have the license from 10til 4pm..Social distancing will be adhered to at all times. We will have a number of Marshall s on site at all times. Should you require further information I will be happy to oblige.. Regards. Paul Terry.
