To Whom it May Concern

This letter is to confirm that Transition Belper (TB) was established in 2009. TB has operated as a registered Limited Company, however, we have had a constitution as well as a 'modus operandi' as a charity, despite not being a registered charity. During the last year the registration of Transition Belper has been under review by the Board of Trustees and it is our intention to change to a Community Interest Company at the earliest convenience. As such, we are attaching our current Constitution for the sake of the grant application, but this will be replaced after the next AGM, assuming changing to a CIC is voted in by a quorate of our members.

If you have any questions relating to this you can contact us by email:
