

BELPER

TOWN COUNCIL

Working for the community

REPORT TO; Full Council
DATE; 30th November 2021
ITEM; 18
REPORT FROM; D. Townsend (Town Clerk)

1. REASON FOR REPORT

To agree the opening hours for the toilets over the Christmas period.

2. BACKGROUND INFORMATION

During the Christmas period 2020, it was agreed that the toilets were opened and the cleaning company were asked to maintain them. Prior to this it is understood that they were locked between Christmas and New Year. Both toilets were vandalised during this time, and staff had to be asked to come back to work to ensure that they were safe and secure. The Council has no policy for on-call working. The toilets were out of service for a further four weeks until repairs could be carried out at a cost of over £1000.00.

RECOMMENDATIONS

That the toilets be closed over the period 25th December 2021 to 3rd January 2022.
