Dear Deb,

I hope this email finds you well.

I'm writing to you following on from Transition Belper's AGM last week. During the event it was mentioned that Belper Town Council had expressed their intention to work more closely with Transition Belper a while ago. It was agreed and recognised that this has most definitely been the case and so my purpose in writing is to extend our thanks for being part of the team and part of the reason why we can say this. We are grateful for all the support and advice that we have received in the past few years and very much look forward to continuing and developing our relationship with you in the future. In addition, members and trustees at Transition Belper have found support from Tina and a number of the Councillors and we are proud to be part of a town with such a Community minded Town Council.

Our sincere thanks are also given for the funding that Belper Town Council has awarded to some of the projects that fall under the umbrella of Transition Belper. Without this, the projects may have still gone ahead, but their impact and ability to grow wouldn't be as great as it has been, so a thank you again for that.

Kind Regards,
