**Belper Christmas Festival Lights Switch On, Friday 30 November 2018, 5.45pm-8pm**

The Christmas lights will be switched on by the Mayor Cllr Tim Sutton and the person nominated by the community at 5.45pm in the Memorial Gardens. The Town Council is encouraging town centre shops to stay open for the evening and will also be providing the usual festive entertainment e.g. bands, children's entertainers, Santa's Grotto etc. King Street will be closed 4pm - 10pm from the junction of Market Head to just above the junction of Campbell Street. There will be no access to Green Lane from King Street.

We are inviting charitable groups to have a stall which we will be providing. A stall canopy will also be provided but you will need a cloth to cover the stall (12' x 4') and a lantern. Stalls can be set up from 4pm and no later than 5.30pm. This year we will be having a Dickensian theme and we ask that you join in and dress up.

It may seem early to think about Christmas but it is advisable for you to reserve your space as soon as possible. I would therefore recommend that you complete and return the attached form at your earliest convenience please.

Yours sincerely
